## **INSTRUCTIONS TO BIDDERS (ITB)**

### **General Instructions:**

#### **1. Content of Bidding Document**

**1.1** The goods required, bidding procedures, and Contract terms are prescribed in the Bidding Documents. In addition to the Invitation for Bids, the bidding documents include:

- (a) Instructions to Bidders(ITB);
- (b) General Conditions of Contract(GCC);
- (c) Special Conditions of Contract(SCC);
- (d) Schedule of Requirements;
- (e) Technical Specifications;
- (f) Contract Form;
- (g) Authorization Form;
- (h) Performance Guarantee Form;
- (i) Bid Form; and
- (j) Price Schedule

**1.2** In case of discrepancies between the Invitation to Bid and the Bidding Documents listed in 1.1 said Bidding Documents shall take precedence.

**1.3** The Bidder is expected to examine all instructions, forms, terms, and specifications in the bidding documents. Failure to furnish all information required by the bidding documents or to submit a bid not substantially responsive to the bidding documents in every respect shall be at the Bidder's risk and may result in the rejection of its bid.

#### **2. Source of Funds**

**2.1** District Health Authority Narowal

#### **3. Eligible Bidders**

**3.1** A Bidder shall be a private, public or government owned legal registered entity with the formal intent (as evidenced by a letter of intent) to enter into an agreement or under an existing agreement.

**3.2** The bidder must be an active taxpayer. National Tax Number (NTN) and General Sales Tax Number with documentary proof.

**3.3** A Bidder who is barred or disqualified/blacklisted either by any Government/Department/Agency/Authority would not be eligible to submit the Bid. The Bidder will submit an affidavit to this effect.

**3.4** If the Government of Pakistan prohibits commercial relations with any country, any bidder/goods of such countries/dealing with such countries are ineligible to apply.

**3.5** The bidder can submit only one bid against an item. If the bidder quotes an alternative bid or submit two bids then the bidder will be considered as non-responsive.

**3.6** The bidder shall provide all information required in the bidding documents (evaluation criteria & specifications etc.) and documents to substantiate its claim for eligibility.

**3.7** Additional eligibility requirement (if any) is defined in the Bid Data Sheet.

#### **4. Eligible Goods and Services**

**4.1** Further, country of origin of goods could be from any geographical region of the world as per laws of Pakistan.

**4.2** For the purpose of this clause, (a) the term "Goods" includes any Goods that are the subject of this Invitation for Bids and (b) the term "Services" includes related services such as transportation, insurance, after sale service, spare parts availability, etc. For purposes of this clause, "origin" means the place where the goods are mined, grown, or produced, or the place from which the related services are supplied.

**4.3** The quoted electric equipment must comply with the Standard Electrical Power System of the Country i.e., 220 V/50Hz.

#### **5. Cost of Bidding**

**5.1** The Bidder shall bear all costs associated with the preparation and submission of its bid, and the Procuring Agency shall in no case be responsible or liable for those costs, regardless of the conduct or outcome of the bidding process.

#### **6. Clarification of Bidding Documents**

**6.1** A prospective Bidder requiring any clarification of the bidding documents may notify the Procuring Agency in writing at the Procuring Agency's address indicated in the Invitation to Bids. The Procuring Agency shall respond in writing to any request for clarification of the bidding documents, which it receives not later than period (days) specified in Bid Data Sheet.

#### **7. Amendment of Bidding Documents**

**7.1** At any time prior to the deadline for submission of bids, the Procuring Agency, for any reason, whether at its own initiative or in response to a clarification requested by a prospective Bidder, may modify the bidding documents by amendment. Such amendment/response shall be uploaded on the website of procuring agency or sent to all prospective Bidders that have received the bidding documents, and shall be binding on them.

**7.2** The Procuring Agency, at its discretion, may extend the deadline for the submission of bids. Amendment notice to that effect shall be communicated in the same manner as the original invitation to bid.

#### **8. Qualification and Disqualification of Bidders**

**8.1** The Procuring Agency shall determine to its satisfaction whether the Bidder that is selected as having submitted the lowest evaluated responsive bid is qualified to perform the Contract satisfactorily, in accordance with the criteria listed in ITB Clause 29.2.

**8.2** The determination shall take into account the Bidder's financial, technical or production capabilities (in case of manufacturer), infrastructure of the firm, past performance in similar contracts, engineering staff and their capabilities, inventory of spare parts, repair and calibration tools, workshop facilities to provide the after sales services. It shall be based upon an examination of the documentary evidence of the Bidder's qualifications submitted by the Bidder, pursuant to ITB Clause 29.2, as well as such other information/ premises visit as the Procuring Agency deems necessary and appropriate.

**8.3** An affirmative determination shall be a pre-requisite for Award of the Contract to the Bidder. A negative determination shall result in rejection of the Bidder's bid, in which event the Procuring Agency shall proceed to the next lowest evaluated bid to make a similar determination of that Bidder's capabilities to perform satisfactorily.

**8.4** The Procuring Agency, at any stage of the procurement proceedings, having credible reasons for or prima facie evidence of any defect in Supplier's capacities may

require the Suppliers to provide information concerning their professional, technical, financial, legal or managerial competence.

**8.5** The Procuring Agency shall disqualify a Bidder if it finds, at any time, that the information submitted by him concerning his qualification as Supplier was false, fabricated and materially inaccurate or incomplete.

**8.6** Bidders that are found to consistently fail to provide satisfactory performances or are found to be indulging in corrupt or fraudulent practices shall be debarred & blacklisted as provided in Punjab Procurement Rules, 2014.

## **9. Corrupt or Fraudulent Practices**

**9.1** The Procuring Agency requires that all Bidders/ Suppliers/ Contractors observe the highest standard of ethics during the procurement and execution of such Contracts. In pursuance of PPR 2014 and its subsequent amendments, if any, the Procuring Agency:

a. defines, for the purposes of this provision, the terms set forth below as follows:

(i) **coercive practice** by impairing or harming, or threatening to impair or harm, directly or indirectly, any party or the property of the party to influence the actions of a party to achieve a wrongful gain or to cause a wrongful loss to another party;

(ii) **Collusive practice** by arrangement between two or more parties to the procurement process or contract execution, designed to achieve with or without the knowledge of the procuring agency to establish

Prices at artificial, noncompetitive levels for any wrongful gain;

(iii) **Corrupt practice** by offering, giving, receiving or soliciting, directly or indirectly, of anything of value to influence the acts of another party for wrongful gain;

(iv) **fraudulent practice** by any act or omission, including a misrepresentation, that knowingly or recklessly misleads, or attempts to mislead, a party to obtain a financial or other benefit or to avoid an obligation;

(v) **obstructive practice** by harming or threatening to harm, directly or indirectly, persons or their property to influence their participation in a procurement process, or affect the execution of a contract or deliberately destroying, falsifying, altering or concealing of evidence material to the investigation or making false statements before investigators in order to materially impede an investigation into allegations of a corrupt, fraudulent, coercive or collusive practice; or threatening, harassing or intimidating any party to prevent it from disclosing its knowledge of matters relevant to the investigation or from pursuing the investigation, or acts intended to materially impede the exercise of inspection and audit rights.

b. Shall reject a proposal for Award if it determines that the Bidder recommended for award has engaged in corrupt or fraudulent practices in competing for the Contract in question; shall declare a firm ineligible, either indefinitely or for a stated period of time, to be awarded a Contract if it at any time determines that the firm has engaged in corrupt or fraudulent practices in competing for, or in executing, a Contract.

## **Preparation of Bids**

### **10. Language of Bid**

**10.1** The bid prepared by the Bidder, as well as all correspondence and documents relating to the bid exchanged by the Bidder and the Procuring Agency shall be written in English. Supporting documents and printed literature furnished by the Bidder may

be in another language provided they are accompanied by an accurate translation of the relevant passages in English, in which case, for purposes of interpretation of the Bid, the translation shall govern.

### **11. Documents Comprising the Bid**

**11.1** The bid prepared by the Bidder shall comprise the following components:

- (a) A Bid Form and Price Schedule completed in accordance with ITB Clauses 12 and 13 (to be submitted along with financial proposal);
- (b) Documentary evidence established in accordance with ITB Clause 15 that the Bidder is eligible to bid and is qualified to perform the Contract if its bid is accepted;
- (c) Documentary evidence established in accordance with ITB Clause 16 that the goods to be supplied by the Bidder are eligible goods and conform to the bidding documents.

### **12. Bid Form and Price Schedule**

**12.1** The Bidder shall complete the Bid Form (**Annex-A**) and an appropriate Price Schedule (**Annex-B**), furnished in the bidding documents indicating the goods to be supplied, a brief description of the goods, specifications, quantity, prices, make, model, country of origin, country of manufacturer and port of shipment in case of imported equipment.

### **13. Bid Prices**

**13.1** The Bidder shall indicate on the Price Schedule the Unit Prices and Total Package Price of the goods, it proposes to supply under the Contract.

**13.2** Form for Price Schedule is to be filled in very carefully, and should be typed. Any alteration/ correction must be initialed. Every page is to be signed and stamped at the bottom. Serial number/ bid number of the quoted item may be marked or highlighted with red/yellow marker.

**13.3** The Bidder should quote the prices of goods according to the technical specifications for complete package/tender. **Optional items are mandatory to quote but will not be considered while determining the lowest bidder.** The specifications of goods, different from the demand of enquiry and packaged items, shall straightway be rejected.

**13.4** The Bidder is required to offer competitive price. All prices must include relevant taxes and duties, where applicable. If there is no mention of taxes, the offered/ quoted price shall be considered as inclusive of all prevailing taxes/duties. The benefit of exemption from or reduction in the GST or other taxes shall be passed on to the Procuring Agency.

**13.5** While tendering your quotation, the present trend/ inflation in the rate of goods and services in the market should be kept in mind. No request for increase in price due to market fluctuation in the cost of goods and services shall be entertained after the bid has been submitted.

**13.6** The bidder shall have to quote the prices as per mode (DDP) as specified in the technical specifications.

### **14. Bid Currencies**

**14.1** For DDP, price shall be quoted in PKR.

**14.2** State Bank of Pakistan's foreign currency selling rate will be considered from the date of opening of Financial Bid for comparison purposes.

**15. Documents Establishing Bidder’s Eligibility and Qualification.**

**15.1** The Bidder shall furnish, as part of its technical bid, documents (as specified in ITB Clause 3 above) establishing the Bidder’s eligibility to bid and its qualifications to perform the Contract if its bid is accepted.

**15.2** The documentary evidence to be submitted in the Technical Proposal for the purposes of qualification and technical evaluation shall be as specified in the evaluation criteria, technical specifications etc.

**16. Documents Establishing Goods’ Eligibility and Conformity to Bidding Documents**

**16.1** Pursuant to ITB Clause 11, the Bidder shall furnish along with technical proposal ,as part of its bid, documents establishing the eligibility and conformity to the bidding documents of all goods (as specified in the evaluation criteria, technical specifications etc.), which the Bidder proposes to supply under the Contract.

**16.2** The documentary evidence of the eligibility of the goods shall consist of a statement in the Price Schedule of the country of origin of the goods offered.

**16.3** The bidder is required to arrange sample (s) of quoted equipment for evaluation on direction of the department ;the bidder shall provide the sample or give demonstration as per requirement for evaluation/ satisfaction of the Committee.

**17. Bid Security**

**17.1** The value, validity & shape of Bid Security to be submitted by a bidder along with its bid is indicated in the Bid Data Sheet.

**18. Bid Validity**

**18.1** Bids shall remain valid for a period, after opening of a bid, as specified in the Bid Data Sheet. A bid valid for a shorter period shall be rejected by the Procuring Agency as non-responsive .Any extension in bid validity will be dealt as per mechanism provided in rule 28 of Punjab Procurement Rules,2014.

**Submission of Bids**

**19. Format and Signing of Bid**

**19.1** The bid shall be typed and shall be signed by the Bidder or Lead Bidder(incase of tender with the permission of alliance/ Joint venture for the bidding of complete package i.e. more than one item in a single tender) or a person or persons duly authorized to bind the Bidder to the Contract. The person or persons signing the bid shall initial all pages of the bid.

**19.2** Any interlineations, erasures, or overwriting shall be valid only if they are initialed by the person or persons signing the bid.

**19.3** All biding documents to be duly attested (signed and stamped) by the authorized person of bidder.

**20. Sealing and Marking of Bids**

**20.1** The envelopes shall be marked as “FINANCIAL PROPOSAL” and “TECHNICAL PROPOSAL” in bold and legible letters to avoid confusion. The envelopes shall then be sealed in an outer envelope. It should contain the package name and its number.

**20.2** The inner and outer envelopes shall:

- a) Be addressed to the Procuring Agency at the address given in the Invitation to Bids;and
- b) bear the Procuring Agency name and number indicated in the Invitation to Bids, and shall be inscribed by the following sentence: “DO NOT OPEN BEFORE,” to be completed with the time and the date specified in

theInvitation To Bid.

**20.3** The inner envelopes shall also indicate the name and address of the Bidder to enable the bid to be returned unopened in case it is declared as non-responsive or late.

**20.4** If the outer as well as inner envelope is not sealed and marked properly, the Procuring Agency shall assume no responsibility for the bid's misplacement or premature opening.

### **21. Deadline for Submission of Bids**

**21.1** Bids must be submitted by the Bidder and received by the Procuring Agency at the address, time and date specified in the Invitation to Bids.

### **22. Late Bid**

**22.1** Any bid received by the Procuring Agency after the deadline for submission of bids prescribed by the Procuring Agency pursuant to ITB Clause 21 shall be rejected and returned unopened to the Bidder.

### **23. Withdrawal of Bids**

**23.1** The Bidder may withdraw its bid prior to the deadline specified in the invitation to bid.

**23.2** No bid may be withdrawn in the interval between the deadline for submission of bids and the expiration of the period of bid validity specified in ITB Clause 18.2. Withdrawal of a bid during this interval will make the bidder eligible to be debarred for further procurements for a period as deemed necessary by the Procuring Agency.

## **The Bidding Procedure**

**24.1** The procedure for selection of Contractor shall be used for the procurement is specified in the Bid Data Sheet. The detail description of the procedure is described in Rule 38 of Punjab Procurement Rules, 2014.

## **Opening and Evaluation of Bids**

### **25. Opening of Bids by the Procuring Agency**

**25.1** The Procuring Agency shall initially open only the envelopes marked "TECHNICAL PROPOSAL" in the presence of Bidders' representatives who choose to attend, at the time, on the date, and at the place specified in the Invitation to Bids. The Bidders' representatives who are present shall sign the Attendance Sheet as evidence of their attendance. However, the envelope marked as "FINANCIAL PROPOSAL" shall remain unopened and be retained in safe custody of the Procuring Agency till completion of the evaluation process.

**25.2** The Bidders' names, item(s) for which they quoted their rate and such other details as the Procuring Agency, at its discretion, may consider appropriate, shall be announced at the opening of technical proposal. No bid shall be rejected at technical proposal/ bid opening, except for late bids, which shall be returned unopened to the Bidder pursuant to ITB Clause 21. However, at the opening financial proposals (the date, time and venue would be announced later on), the bid prices, discounts (if any), and the presence or absence of requisite bid Security and such other details as the Procuring Agency, at its discretion, may consider appropriate, shall be announced.

**25.3** The Procuring Agency shall read aloud the Unit Price as well as the Bid amount and shall record minutes of bid opening.

### **26. Clarification of Bids**

**26.1** During evaluation of the bids, the Procuring Agency may, at its discretion, ask the Bidder for a clarification of its bid, as provided in Rule 33 of PPR 2014. The request for clarification and the response shall be in writing, and no change in the prices or

Substance of bid like indication or re-indication of make/model/brand etc. shall be sought, offered, or permitted.

## **27. Preliminary Examination**

**27.1** The Procuring Agency shall examine the bids to determine whether they are complete, whether any computational errors have been made (at the time of opening the financial proposal), whether required securities have been furnished, whether the documents have been properly signed, and whether the bids are generally in order.

**27.2** In the financial bids (at the time of opening the financial proposal) the arithmetical errors shall be rectified on the following basis. If there is a discrepancy between the unit price and the total price that is obtained by multiplying the unit price and quantity, the unit price shall prevail, and the total price shall be corrected. If the Bidders/Suppliers do not accept the correction of the errors, its bid shall be rejected. If there is a discrepancy between words and figures, the amount in words shall prevail.

**27.3** The Procuring Agency may waive any minor informality, nonconformity, or irregularity in a bid which does not constitute a material deviation (or changes the substance of the bid), provided such waiver does not prejudice or affect the relative ranking of any Bidder.

**27.4** Prior to the detailed evaluation, pursuant to ITB Clause 27 the Procuring Agency shall determine the substantial responsiveness of each bid to the bidding documents. For purpose of these Clauses, a substantially responsive bid is one, which conforms to all the terms and conditions of the bidding documents without material deviations. Deviations from, or objections or reservations to critical provisions shall be deemed to be a material deviation for technical proposals. The Procuring Agency's determination of a bid's responsiveness is to be based on the contents of the bid itself without recourse to extrinsic evidence.

**27.5** If a bid is not substantially responsive, it shall be rejected by the Procuring Agency and may not subsequently be made responsive by the Bidder by correction of then on conformity.

## **28. Evaluation and Comparison of Bids**

**28.1** The Procuring Agency shall evaluate and compare the bids on the basis of Single items/ Complete package (As demanded in the advertised tender), which have been determined to be substantially responsive, pursuant to ITB Clause 25.

**28.2** The Procuring Agency's evaluation of technical proposal/ bid shall be on the basis of evaluation criteria, technical & managerial capabilities and previous performances of quoted product/model.

**28.3** All bids shall be evaluated in accordance with the evaluation criteria (ITB Clause 29) and other terms and conditions set forth in these bidding documents.

**28.4** For the purpose of comparison of bids quoted in different currencies, the price shall be converted into Pak Rupees in pursuant to ITB Clause 13 & 14.

**28.5** A bid once opened in accordance with the prescribed procedure shall be subject to only those rules, regulations and policies that are in force at the time of issue of notice for invitation of bids.

## **29. Evaluation Criteria**

**29.1** For the purposes of determining the lowest evaluated bid, factors other than price such as previous performances and such other details as the Procuring Agency at its discretion, may consider appropriate shall be taken in to consideration and these should be available with the bidder. The following evaluation factors/ criteria will be employed on **technical proposals**.

## **29.2 Technical Evaluation Criteria**

**TECHNICAL EVALUATION CRITERIA**  
**(KNOCKED DOWN CRITERIA)**

- i. The Bidder shall attach relevant documents as required in Clause 3 of ITB.
  - ii. The bid must comply with the advertised technical specifications of the quoted item. Incomplete offer/bid will straightaway be rejected.
  - iii. The firms shall also explicitly declare the make, model & country of origin of all accessories to be provided with the equipment.
  - iv. The Bidder shall authorize a representative through Authorization or Power of attorney for the procurement process.
  - v. The quoted model of the product shall be available on the current official website of the manufacturer otherwise the quoted product shall be considered obsolete/ redundant and will straight away be rejected.
  - vi. Minimum one year local business history of the product. (Attach Purchase Order/Contract, Installation and Satisfactory Past Performance reports of Product from **three different institutes including one public institute**)
  - vii. The product must comply with International Quality Standards / recognized certifications as indicated in the Technical Specifications.
  - viii. Certificate from the manufacturer that the after sales services / backup services shall be provided jointly with the local sole agent and in case of change of local agent, they will provide the after sales services themselves or through newly appointed agent for the period mentioned from the date of commissioning.
  - ix. A Certificate from the manufacturer that the installation will be conducted in conformity with the system requirements by following the professional approach.
  - x. The bidder will attach the list of relevant Test & Tool Equipment required for repair, maintenance and calibration of the quoted product.
  - xi. The bidder shall attach Audited Financial Statements and Income Tax Returns for the last three FY.
  - xii. The offer/bid will be considered as responsive if it fully meets the tender requirement and specifications. The offer/bid which will not be as per requirement of tender and specifications is to be declared as non- responsive. The offer/bid which contains the minor deviations from the specifications and the deviations would not have any kind of effect on the quality, efficiency, reliability and durability of products will be declared as substantially responsive, this need to be determined by the Technical Evaluation Committee. The offers/bids which are declared as Responsive and Substantially Responsive will be considered as equivalent for the onward proceedings of tender.
- 30.** The Bidder shall have to present samples of the quoted product within period as mentioned in the Bid Data Sheet on the request of the department for its evaluation.

**29.2.1** Bidders are required to submit the information in the following format along with documentary evidence asunder.

**29.2.2 Profile of the Bidder**

The Bidders are required to submit its profile.

**30.3 Financial proposals would be evaluated as follows:**

- i) After technical evaluation is completed, the Procuring Agency shall notify the date, time and location for opening of the financial proposals. All bidders'in attendance at the time of opening of financial proposals shall sign an attendance sheet.
- ii) Financial proposals shall be opened publicly in the presence of the bidders' representatives who choose to attend. The name of the bidders shall be read aloud. The financial proposal of the technically responsive bidders shall then be inspected to confirm that they have remained sealed and unopened. These financial proposals shall be then opened, and the Unit Price as well as the Bid amount read aloud and recorded. Financial proposals of the technically non-responsive bidders shall be returned unopened as per procedure prescribe in PPR 2014.
- iii) Incomplete bid shall stand rejected. All items described in the technical proposal must be priced in financial proposal. Items described in the technical proposal but not priced ,shall be assumed to be included in the price of other items.
- iv) Minor over sight, clerical mistakes ,other minor in consistencies that do not alter the substances of the financial bid may be corrected by the Procuring Agency. When correcting computation error in case of discrepancy between a partial amount and the total amount or between the words and figures, the formers will prevail.
- v) The bidders will quote the Price Schedules. The total price of the system will be calculated by converting the price to single currency (PKR)on the exchange rate of date of opening of Financial Proposal ;in case of import of item.
- vi) Lowest will be determined on the basis as indicated in the Bid Data Sheet.

**31. Contacting the Procuring Agency**

**31.1** No Bidder shall contact the Procuring Agency on any matter relating to its bid, from the time of the bid opening to the time the Contract is awarded.

**31.2** Any effort by a Bidder to influence the Procuring Agency in its decisions on bid evaluation, bid comparison, or Contract Award will result in the rejection of the Bidder's bid and subsequent black listing. Canvassing by any Bidder at any stage of the Tender evaluation is strictly prohibited.

**32. Rejection of Bids**

**32.1** The Procuring Agency may reject any or all bids at any time prior to the acceptance of a bid as per Rule 35 of PPR, 2014. The Procuring Agency shall upon request communicate to any Bidder who submitted a bid, the grounds for its rejection of any or all bids, but is not required to justify those grounds.

**32.2** The Procuring Agency incurs no liability, solely by virtue of its invoking Clause30.1 towards Bidders who have submitted bids.

**31.3** Notice of the rejection of any or all bids shall be given promptly to the concerned Bidders that submitted bids.

**31.4** The items contained in the tender should be bid in total and technical rejection of any item not complying with the technical specifications may lead to the rejection of complete Tender.

**31.5** A procuring agency may for reasons to be recorded in writing, restart bidding process from any prior stage if it is possible without violating any principle of

procurement contained in Rule 4 of PPR2014 and shall immediately communicate the decision to the bidders.

### **33. Re-Bidding**

**33.1** If the Procuring Agency rejects all bids in pursuant to ITB Clause 30, it may call for re-bidding or if deems necessary and appropriate the Procuring Agency may seek any alternative methods of procurement.

**33.2** The Procuring Agency before invitation for re-bidding shall assess the reasons for rejection and may revise specifications, evaluation criteria or any other condition for Bidders, as it may deem necessary.

### **34. Announcement of Evaluation Report**

**34.1** The Procuring Agency shall announce the results of bid evaluation of a report giving justification for acceptance or rejection of bids at least **Ten Days** prior to the award of procurement Contract.

### **Award of Contract**

#### **35. Acceptance of Bid and Award criteria**

**35.1** The Bidder with technically evaluated lowest financial bid, if not in conflict with any other law, rules & regulations, policy of the Government shall be awarded the Contract, within the original or extended period of bid validity for complete package/Tender.

**35.2** The Bidder having lesser Bid Security (if required in tender) will be rejected as non-responsive and Acceptance of Bid be awarded to next bidder; being the responsive lowest bidder.

#### **36. Quantity of an Item**

**36.1** The Procuring Agency reserves the right at the time of Contract award to increase the quantity of goods (15% as repeat order) originally specified in the Price Schedule and Schedule of Requirements as per Rule 59 c (iv) without any change in unit price or other terms & conditions.

#### **36 Limitations on Negotiations**

**36.1** Save as otherwise provided there shall be no negotiations with the bidder having submitted the lowest evaluated bid or with any other bidder: provided that the extent of the negotiation permissible shall be subject to the regulations issued by the Punjab Procurement Regulatory Authority and its subsequent amendments, if any.

#### **37. Notification of Award**

**37.1** Prior to the expiration of the period of bid validity, the Procuring Agency shall notify the successful Bidder in writing that its bid has been accepted.

**37.2** The enforcement of the Contract shall be governed by Rule 63 of Punjab Procurement Rules-2014.

#### **38. Signing of Contract**

**38.1** The Department will issue the Notification of Award/Advance Acceptance of Tender & Contracts may be signed by the Department itself. The firm will submit the required Performance Guarantee within 07(seven) Days after issuance of AAT. After receipt of Performance Guarantee (having validity equivalent to Total warranty period of equipment) and Stamp Duty, the procuring Agency and successful bidder will sign and date the formal Contract.

**38.2** If the successful bidder shows inability to sign the contract or failed to deposit

Performance Guarantee & Stamp duty etc., then their Bid security/Contract security to the extent of proportionate percentage shall be forfeited and the firm shall be blacklisted minimum for three years for future participation. In such situation, the Procuring Agency may make the Award to the next lowest evaluated Bidder or call for re-bidding.

**38.3** The contract is to be made on stamp paper worth of Rs.@25 paisa per every one hundred rupees of the total value of the contract, under prevailing clauses of Stamp Act 1899.

**38.4** The enforcement of the Contract shall be governed by Rule 63 of Punjab Procurement Rules –2014.

### **39. Performance Guarantee**

**39.1** The shape & value of Performance Guarantee to be submitted is indicated in the Bid Data Sheet.

**39.2** Failure of the successful Bidder to comply with the requirement of ITB Clause 37/ 38 shall constitute sufficient grounds for the annulment of the Award, in which event the Procuring Agency may make the Award to the next lowest evaluated Bidder or call for re-bidding.

### **40. Schedule of Requirement**

**40.1** The supplies shall be delivered/shipped as per schedule of requirement indicated in the Bid Data Sheet.

**40.2** In case of late delivery of goods beyond the periods specified in the Schedule of Requirements, penalty shall be imposed shall be imposed upon the Supplier as indicated in Bid Data Sheet.

**40.3** In case of DDP the delivery period will be started from the date of issuance of Purchase order/signing of the Contract.

### **41. Redressal of grievances by the Procuring Agency**

**41.1** The Procuring Agency shall constitute a committee comprising of odd number of persons, with proper powers and authorizations, to address the complaints of bidders that may occur prior to the entry into force of the procurement contract.

**41.2** Any bidder feeling aggrieved by any act of the Procuring Agency after the submission of his bid may lodge a written complaint concerning his grievances not later than ten days after the announcement of the bid evaluation report.

**41.3** The committee shall investigate and decide upon the complaint within fifteen days of the receipt of the complaint.

**41.4** Mere fact lodging of a complaint shall not warrant suspension of the procurement process.

## **B. GENERAL CONDITIONS OF CONTRACT (GCC)**

### **1. Definitions**

- 1.1** In this Contract, the following terms shall be interpreted as indicated:
- a. "The Contract" means the agreement entered into between the Procuring Agency and the Supplier, as recorded in the Contract Form signed by the Parties, including all attachments and appendices thereto and all documents incorporated by reference therein.
  - b. "The Contract Price" means the price payable to the Supplier under the Contract for the full and proper performance of its contractual obligations.
  - c. "The Goods" means equipment and machinery and other items which the Supplier is required to supply to the Procuring Agency under the Contract.
  - d. "The Services" means those services ancillaries to the supply of above goods, such as printing of special instructions on the label and packing, design and logo of the Procuring Agency, Insurance, transportation of goods up to the desired destinations, commissioning, training and other such obligations of the supplier covered under the Contract.
  - e. "GCC" mean the General Conditions of Contract contained in this section.
  - f. "SCC" means the Special Conditions of Contract.
  - g. "The Procuring Agency" means the District Health Authority, Narowal.
  - h. "The Supplier" means the individual or firms or joint venture supplying the goods under this Contract.
  - i. "Day" means calendar day.

### **2. Application**

**2.1** These General Conditions shall apply to the extent that they are not superseded by provisions of other parts of the Contract.

### **3. Country of Origin**

**3.1** Country of origin of goods could be from any geographical region of the world as per laws of Pakistan, unless otherwise any country of manufacturer mentioned in the specifications.

### **4. Standards**

**4.1** The items should comply with the relevant international product quality standards or as per standards mentioned in the specifications.

### **Use of Contract Documents and Information**

**5.1** The Supplier shall not, without the Procuring Agency's prior written consent, disclose the Contract, or any provision thereof, or any specification, plan, drawing, pattern, sample, or information furnished by or on behalf of the Procuring Agency in connection therewith, to any person other than a person employed by the Supplier in the performance of the Contract. Disclosure to any such employed person shall be made in confidence and shall extend only so far as may be necessary for purposes of such performance.

**5.2** The Supplier shall not, without the Procuring Agency's prior written consent, make use of any document or information enumerated in GCC Clause 5.1 except for purposes of performing the Contract.

**5.3** Any document, other than the Contract itself, enumerated in GCC Clause 5.1 shall remain the property of the Procuring Agency and shall be returned (all copies) to the Procuring Agency on completion of the Supplier's performance under the Contract if so required by the Procuring Agency.

## **6. Patent Rights**

**6.1** The Supplier shall indemnify the Procuring Agency against all third-party claims of infringement of patent, trademark, or industrial design rights arising from use of the Goods or any part thereof in the country.

## **7. Submission of Samples**

**7.1** The samples shall be submitted as per mentioned in the ITB/Evaluation Criteria/Specifications.

## **8. Ensuring Storage/ Installation Arrangements**

**8.1** To ensure storage and installation arrangements for the intended supplies, the Supplier shall inform end user for pre-requisites well in time for proper installation. The cost of any minor changes in the site of installation will be borne by the supplier. In case the Supplier abides by the given time frame he shall not be penalized for delay.

**8.2** In case of late delivery of goods beyond the periods specified in the Schedule of Requirements, penalty @ 0.1% per day of the cost not exceeding 10% of the purchase order/contract value for late delivered supply shall be imposed upon the Supplier.

## **9. Inspections and Tests**

**9.1** The Procuring Agency or its representative shall have the right to inspect and/or to test the goods to confirm their conformity to the Contract specifications at no extra cost to the Procuring Agency.

**9.2.** For the purpose of inspections and tests of equipment. The Supplier shall furnish all reasonable facilities and assistance, to the inspectors at no charge to the Procuring Agency.

**9.3** The Procuring Agency's right to inspect, test and, where necessary, reject the goods after the goods have been installed at Procuring Agency's destinations.

**9.4** Nothing in GCC Clause 9 shall in any way release the Supplier from any warranty or other obligations under this Contract.

## **10. Physical Examination/ Inspection of Goods**

**10.1** The goods shall be acceptable subject to physical inspection, tests and/ or in accordance with the approved sample as decided by the Procuring Agency.

**10.2** The Inspection Team will be designated by the Procuring Agency which will inspect each of the equipment/goods as per contracted specifications and installation protocols recommended by the manufacturers.

## **11. Delivery and Documents**

**11.1** The Supplier in accordance with the terms specified in the Schedule of Requirements shall make delivery of the goods which is maximum 60 Days (DDP) from the date of issuance of this contract. The details of original documents to be furnished by the Supplier is indicated in Technical Specifications.

## **12. Insurance**

**12.1** The goods supplied under the Contract shall be delivered duty paid (DDP) as mentioned under which risk is transferred to the buyer after having been delivered to final destination; hence, marine and inland insurance coverage is Supplier's responsibility. The Supplier shall ensure insurance in advance in full on prevailing premium rates at the time of shipment of the Goods on the behalf of the Purchaser for which the cost is inclusive in the Contract Price.

## **13. Transportation**

**13.1** The Supplier shall arrange such transportation of the goods as is required to prevent their damage or deterioration during transit to their final destination as indicated in the Schedule of Requirement.

**13.2** Transportation including loading/ unloading of goods shall be arranged and paid for by the Supplier, and related cost shall be inclusive in the Contract price. The addresses of destinations/ offices shall be provided at the time signing of Contract.

**14. Incidental Services**

**14.1** The Suppliers shall be required to provide all the incidental service charges and the cost of such incidental services include in total Contract price.

**14.2** The Procuring Agency will not pay any extra amount against any expenditure incurred on it, as the Contract shall be construed as fixed amount Contract and includes all costs.

**14.3** The Procuring Agency will provide all the necessary documentations for facilitation but no amount to be given in any case except the Contracted amount.

**15. Warranty**

**15.1** The firm shall maintain the equipment for total comprehensive warranty period for complete system including parts & labour. The supplier will categorically mention the disposable/consumable items of the equipment good in advance along with the submitted tender, any item declaration as consumable/ disposable after the submission of bid/quotation will not be submitted.

**15.2** The comprehensive warranty shall be monitored by Biomedical Equipment Resource Centre/Concerned end user of P&SH Department.

**16. Payment**

**16.1** The method and conditions of payment to be made to the Supplier under this Contract shall be specified in SCC.

**16.2** In case of DDP; the payment will be made 100% after presentation of the delivery/ Installation/commissioning/execution report of the contract and all other works described in Contract. Part payment, part delivery may be admissible in case of huge quantity of the goods.

**17. Prices**

**17.1** Prices charged by the Supplier for goods delivered under the Contract shall not vary from the prices quoted by the Supplier in its bid and shall remain the same till expiry of the bid validity period provided the Procuring Agency's request for bid validity extension.

**18. Contract Amendments**

**18.1** No variation in or modification of the terms of the Contract shall be made.

**18.2** No variation in finalized brands/ makes/models shall be allowed except in special conditions where the manufacturer has stopped producing or suspended that model or the latest model of similar series or version has been launched by the manufacturer or non-availability due to international merger soft he manufacturers or similar unavoidable constraints.

**19. Assignment**

**19.1** The Supplier shall not assign, in whole or in part, its obligations to perform under this Contract, except with the Procuring Agency's prior written consent.

**20. Subcontracts**

**20.1** The Supplier shall not be allowed to sublet the job and award subcontracts under this Contract.

## **21. Delays in the Supplier's Performance**

**21.1** Delivery of the goods shall be made by the Supplier in accordance with the time schedule prescribed by the Procuring Agency in the Schedule of Requirements.

**21.2** If at any time during performance of the Contract, the Supplier should encounter conditions impeding timely delivery of the goods, the Supplier shall promptly notify the Procuring Agency in writing of the fact of the delay, its likely duration and its cause(s). As soon as practicable after receipt of the Supplier's notice, the Procuring Agency shall evaluate the situation and may at its discretion extend the Supplier's time for performance, with liquidated damages ,in which case the extension shall be ratified by the Parties by amendment of Contract.

**21.3** Except as provided under GCC Clause 8.2, a delay by the Supplier in the performance of its delivery obligations shall render the Supplier liable to the imposition of liquidated damages pursuant to GCC Clause 22, unless an extension of time is agreed up on pursuant to GCC Clause 21.2 without the application of liquidated damages.

## **22. Penalties/Liquidated Damages**

**22.1** In case of late delivery beyond the presented period, penalty as specified in SCC shall be imposed upon the Supplier/ Manufacturer. The above Late Delivery (LD) is subject to GCC Clause 24, including late delivery for reasons beyond control. Once the maximum is reached, the Procuring Agency may consider termination of the Contract pursuant to GCC Clause23.

**22.2** If the firm provide substandard item and fail to provide the item, the payment of risk purchase (which will be purchased by the procuring agency/indenter) the price difference shall be paid by the Firm.

## **23. Termination for Default**

**23.1** The Procuring Agency, without prejudice to any other remedy for breach of Contract,by written notice of default sent to the Supplier, may terminate this Contract in whole or inpart:

- a. If the Supplier fails to deliver any or all installment so f the goods within the period(s) specified in the Contract, or within any extension there of granted by the Procuring Agency pursuant to GCC Clause 8.2;or
- b. if the Supplier fails to perform any other obligation(s) under the Contract.
- c. if the Supplier, in the judgment of the Procuring Agency has engaged in corrupt or fraudulent practices in competing for or in executing the Contract. For the purpose of this clause: **“corrupt practice”** means the offering, giving, receiving or soliciting of anything of value to influence the action of a public official in the procurement process or in Contract execution.

**“fraudulent practice”** means a misrepresentation of facts in order to influence a procurement process or the execution of a Contract to the detriment of the Procuring Agency, and includes collusive practice among Bidders (prior to or after bid submission) designed to establish bid prices at artificial non-competitive levels and to deprive the Procuring Agency of the benefits of free and open competition.

**23.2** Mechanism of blacklisting provided in rule 21 of Punjab Procurement Rules, 2014.

## **24. Force Majeure**

**24.1** Not with standing the provisions of GCC Clauses 21, 22, and 23, the Supplier shall not be liable for forfeiture of its Performance Guaranty/ bid Security, or termination/ blacklisting for default if and to the extent that its delay in performance or other failure to perform its obligations under the Contract is the result of an even to Force Majeure. For the purposes of this clause Force Majeure mean sanact of Godoran event beyond the control of the Supplier and not involving the Supplier’s fault or negligence directly or indirectly purporting to mis-planning, mismanagement and/or lack of foresight to handle the situation. Such events may include but are not restricted to acts of the Procuring Agency in its sovereign capacity, wars or revolutions, fires, floods, earthquakes, strikes, epidemics, quarantine restrictions and freight embargoes. If a Force Majeure situation arises, the Supplier shall promptly notify the Procuring Agency in writing with sufficient and valid evidence of such condition and the cause thereof. The Committee of Health, constituted for Redressal of grievances, shall examine the pros and cons of the case and all reasonable alternative means for completion of purchase order under the Contract and shall submit its recommendations to the competent authority. However, unless otherwise directed by the Procuring Agency in writing, the Supplier shall continue to perform its obligations under the Contract as far as is reasonably practical and shall seek reasonable alternative means for performance not prevented by the Force Majeure event.

## **25. Termination for Insolvency**

**25.1** The Procuring Agency may at any time terminate the Contract by giving written notice of one-month time to the Supplier if the Supplier becomes bankrupt or otherwise insolvent. In this event, termination shall be without compensation to the Supplier, provided that such termination shall not prejudice or affect any right of action or remedy which has accrued or shall accrue thereafter to the Parties.

## **26. Arbitration and Resolution of Disputes**

**26.1** The Procuring Agency and the Supplier shall make every effort to resolve amicably by direct informal negotiation any disagreement or dispute arising between them under or in connection with the Contract.

**26.2** If, after thirty(30)days from the commencement of such in formal negotiations, the Procuring Agency and the Supplier have been unable to resolve amicably a Contract dispute, either party may require that the dispute be referred to the Arbitrator for resolution through arbitration.

**26.3** In case of any dispute concerning the interpretation and/or application of this Contract shall be settled through arbitration. The arbitrator will be appointed with mutual consent of both the parties. The decisions of the Arbitrator shall be final and binding on the Parties.

### **27. Governing Language**

**27.1** The Contract shall be written in English language .Subject to GCC Clause28,the version of the Contract written in the specified language shall govern its interpretation. All correspondence and other documents pertaining to the Contract, which are exchanged by the Parties, shall be written in English.

### **28. Applicable Law**

**28.1** This Contract shall be governed by the Laws of Pakistan and the Courts of Pakistan shall have exclusive jurisdiction.

### **29. Notices**

**29.1** Any Notice given by one party to the other pursuant to this Contract shall be sent to the other party in writing and confirmed to other party's address specified in SCC.

**29.2** A notice shall be effective when delivered or on the notice's effective date, whichever is later.

## **C. SPECIAL CONDITIONS OF CONTRACT (SCC)**

Special Conditions of Contract shall be concluded between the Procuring Agency and the successful bidder(s) as per specific requirement of the specific Product. In case where there is a conflict between the general conditions of the contract and the special conditions of contract, the special condition of contract shall prevail.

### **1. General:**

1.1 Country of origin of goods could be from any geographical region of the world as per laws of Pakistan, unless otherwise any country of manufacturer mentioned in the specifications.

1.2 The fee of all necessary licenses required to install and operate the equipment shall be borne by the Supplier and Procuring agency will facilitate through documents only.

1.3 The Bank Guarantee will be discharged after successful installation, commissioning, servicing and completion of standard warranty period. A clearance letter/NOC will be issued by the head of concerned institution in this regard.

1.4 The Supplier shall be deemed to have obtained all the information regarding facilities and charges, in respect of port clearance, loading and unloading, storage, transportation, congestion, Octroi, licensing fee and confirmed the requirements thereof at his own responsibility and all such costs and charges are deemed to be included in the rates and prices mentioned in the Priced BOQ and the Procuring Agency will not pay any amount over this contracted amount for Delivered Duty Paid consignments.

1.5 Certificate from the manufacturer of foreign/ Local Principal that they will provide after sales services through its agent and in case of change of its agent, it will provide the services itself or newly appointed Sole agent/ Sole distributor (For Biomedical equipment).

### **2. Insurance of Local Goods**

2.1 Insurance of Goods and other materials from factory to Site shall include all insurance costs covering the responsibility of all losses or damages, while loading, unloading, storing, trimming on the carrier and transporting to site up to the installation, testing & commissioning.

2.2 Checking and verifying of consignments, issuance of receiving reports and damage reports (when applicable) shall be the Contractor's responsibility.

2.3 The cost of insurance shall be quoted on the basis of insurance through National Insurance Company (NIC) of Pakistan or any other Insurance company operating in Pakistan acceptable to the Procuring Agency.

### **3. Payment**

3.1 In case of DDP; the payment will be made 100% after presentation of the delivery/Installation/commissioning/execution report of the equipment and all other works described in Contract.

### **4. Execution of Warranty**

4.1 A Log Book for the equipment shall be maintained by the Supplier Service Engineer in consultation with the end user department. This will include the name of the equipment, down time, preventive maintenance schedule, replacement of parts, down time etc.

4.2 The Warranty will start from the date of acceptance of equipment (properly installed, as per contracted specifications and handing over of related documents

mentioned in GCC and will last for its warranty period at 95%uptime.

4.3 The maintenance will be the responsibility of the manufacturer / their agent. An annual optimal uptime of 95% is considered as acceptable level of performance.

4.4 Software and hardware up gradation of the computing system should be carried out as available during warranty period as recommended by the manufacturer.

4.5 Manufacturer/Supplier shall be responsible for rectifying with all possible speed at their own expense any defect or fault in the system which may develop at any time during installation, commissioning period.

4.6 Manufacturer will guarantee the availability of spare parts and accessories for the system for ten years.

4.7 Up time shall be defined as the time available to the user for doing procedures/ data acquisition and processing during working hours throughout the year except holidays (from 9.00 am to5.00pm).

4.8 Manufacturer/Supplier shall check system performance during and after every 4-months. An “Optimal Percentage” will be calculated by dividing “System in Service” hours by hours available, both measured on the basis of working hours as detailed above.

4.9 If the uptime percentage for the measurement period (04-months) shall fall short of 95% the following formula will be applied to determine additional days in the warranty / service contract period.

- |    |           |  |
|----|-----------|--|
| a. | 100%- 95% | No Penalty   |
| b. | 95%-90%   | The warranty period will be extended by 2.0 times the number of days as extra down time. |
| c. | 90%-80%   | The warranty period will be extended by3.0 times the number of days as extra down time   |
| d. | Below80%  | The warranty period will be extended by4.0 times the number of days as extra down time   |

4.10 Down time is defined as the failure in the equipment operation to acquire or process the data or procedure, resulting in inability to carry out the required procedure properly.

4.11 The firm will be bound to make arrangements for availability of qualified technical staff in hospital / site for prompt execution/coordination of after sale services.

4.12 Down time will start when the end user/Staff In-charge notifies the designated service facility verbally or in writing.

4.13 Down time will end once the repairs have been affected and the system is again available for use.

4.14 The firm will provide the recommended preventive maintenance schedule of each of the equipment at the time of delivery.

4.15 The firm will bound to execute the installation/ maintenance according to the installation/ service protocol and will replace the components/ kits recommended by the manufacturers for installation and Periodic Preventive maintenance.

4.16 The scheduled preventive maintenance shall be in accordance with Service Protocol recommended/ advised by the manufacturer.

4.17 Remote service via modem shall be preferred if provided by the manufacturer to pick-up early faults at no cost to the end user.

4.18 The manufacturer/supplier will be responsible for preventive maintenance of equipment as per manufacturers 'Service Manuals and shall keep a check for electrical / magnetic / temperature and humidity conditions. Such a check should be made monthly and record should be maintained in the log book available with the end user.

**5. Packing &Marking**

5.1 Packing:Usual export packing to ensure safe journey upto the site of consignee.  
Marking: Each packing should be clearly marked in suitable size in bold letters as per requirement.

**6. Trans-shipment**

6.1 Trans-shipment is not allowed.

**7. Place of delivery:**

7.1 District Health Authority, Narowal.

**8. Correspondence addresses**

Date:  
Tender No:  
Name of the Item:

To: *[Name and address of Procuring Agency]*

Respected Sir

Having examined the bidding documents including Addenda Nos. [insert numbers & Date of individual Addendum], the receipt of which is hereby acknowledged, we, the undersigned, offer to supply and deliver the Goods under the above-named Contract in full conformity with the said bidding documents for the sum of *[Total Bid Amount]*, *[Bid Amount in words]* and at the rates/unit prices described in the price schedule or such other sums as may be determined in accordance with the terms and conditions of the Contract. The amounts are in accordance with the Price Schedules attached herewith and are made part of this bid.

We undertake, we have no reservation to these Bidding Documents, if our bid is accepted, to deliver the Goods in accordance with the delivery schedule specified in the schedule of requirements.

If our bid is accepted, we undertake to provide a performance security/guarantee in the form, in the amounts, and within the times specified in the bidding documents.

We agree to abide by this bid, for the Bid Validity Periods specified in the Bid Data Sheet and it shall remain binding upon us and may be accepted by you at any time before the expiration of that period.

Until the formal final Contract is prepared and executed between us, this bid, together with your written acceptance of the bid and your notification of award, shall constitute a binding Contract between us.

We understand that you are not bound to accept the lowest or any bid you may receive. We undertake that, in competing for (and, if the award is made to us, in executing) the above contract, we will strictly observe the laws against fraud and corruption in force in Pakistan.

We confirm that we comply with the eligibility requirements as per the bidding documents.
